20th Anniversary Cast-free Convention

Saturday 21 November 2015

6.30 pm ish - 10.00 pm ish (bar till 11.00 pm)
To be held at a secret venue in the heart of London.

You are warmly invited to apply for tickets for our 20th Anniversary Cast-free Convention. This is now regarded by some (not that many) as a MUST BE SEEN AT event, rivalling other must be seen at events. A lot of people who have been once, turn up again. Some are never seen again.

There will be the customary packed Agenda concerning some of the more vital aspects of @narchy and @rchers, including controversial motions (you may wish to propose one?)

The 8th intermittent Sammy The Cat Memorial Lecture will be given by a distinguished member of the @narchic community yet to be confirmed.

As usual, the event degenerates into a bitterly fought quiz in which ignorance is no barrier to success. You can either come along with a ready-made team (if it has fewer than 6 people we might ask you to merge with another), or we will be happy to put you into a team. Feel free to come along on your own, as many people do. Independent observers have deemed @narchists to be very friendly.

Admission is by ticket in advance only and includes a buffet. Paid-up Anarchists are welcome at the special rate of £14.00 per person and may purchase up to five further tickets at this preferential rate. Tickets are available to self-certified non-castists at a rate of £17.50. Please note that by applying for tickets you are confirming that the Archers are real - there is no cast. Any profits from this occasion go directly to the Sammy The Cat Memorial Trust which oversees the constant battle against castism.
